REPORT OF STATE PRISON COMMITTEE. Assembly Chamber, Jan. 23, 1893.

MR. SPEAKER: Your Committee on State Prison and Insane Asylum, beg leave to report as follows:

It having been brought to our attention that grave charges have been made against an ex-Warden of the

State Prison, we deemed it our duty to first examine into the same. We found upon investigation that the books kept as records of this State Prison show that in the months of February, April, May and June, of 1886, during the administration of Frank Bell as Warden, that cut stone valued at \$154.20, was sold to one J. L. Longabaugh, of Reno, and that of the amount due the State the sum of \$29.25 was paid and accounted for and the sum of \$124.25 was carried from page 394 to page 397 on the first of January, 1887, but that thereafter and before the 14th, of February, 1887, the date of Warden Bell's retirement from office, the account was erased by running red lines through the same and that no part of the said account has ever been paid to the State.

That your Committee has further examined the monthly reports of the State Prison business filed by the Warden, as required by law, for the months of February, April, May and June, 1886, and while the amount of \$29.25 cash paid in, is duly reported, no record is made of the sales of stone amounting to \$124.95 turned over to said Longabaugh, during said month.

Committee also finds that the law requiring an sworn affidavit accompanying each Statement was not complied with in any of the months mentioned the blank forms being merely signed and not sworn to.

It has further come to the knowledge of your Committee, that on or about the fourth day of January, 1886, one Frank Craven, engaged in road building for the County of Ormsby, paid to said Frank Bell for waste rock hauled from the State Prison the sum of \$27 or thereabouts concerning which transaction the said Frank Craven makes affidavit, corroborated by an additional affidavit made by his son, James Leroy Craven.

Your Committee has been unable to find any record of this transaction upon the books of the Prison.

An itemized copy of the ledger record of the affidavit filed with this Committee are hereby submitted and made a part of this report.

Account of prepared stone delivered to J. T. Longabaugh, of Reno, by Frank Bell, Warden of Nevada State Prison, during the year 1886, Feb. 20, 1886, 27 pieces 10 x 10 \$13 00.

April, 23, 1886, 27 pieces cut stone at 50 cents, \$13 00.

May, 15, 1886, 132 ft. 8 in. curbing, at 85 cents, \$112 75.

May, 30, 1886, 21 pieces of cut stone, 12 x 12 ins. at 75 cents, \$15 75.

May, 20, 1886, 11 pieces of cut stone, 6 x 12 ins. at 50 cents \$5 50.

May, 20, 1886, 2 pieces of cut stone, 2 ft. x 12 ins. at \$1 25, \$2 50.

May, 21, 1886, 2 ft. 8 in. curbing, at 85 cents, \$1 70.

June, 17, 1886, 9 pieces of cut stone, 10 x 10 x 6 at 50, \$4 50.

Frank Craven being first duly sworn, deposes and says that in the latter part of the A. D. 1885, he had a contract with the County of Ormsby, State of Nevada, to repair the Prison Road, and that he purchased from Frank Bell, then the Warden of the Nevada State Prison, at Carson City, Ormsby county, State of Nevada, waste rock, which he hauled from both the inside of and outside the Prison walls and that on or about the 4th day of January, 1886, he paid said Frank Bell the sum of \$27.00 or thereabouts for the said waste rock.

James Leroy Craven being first duly sworn, deposes and says, I was with my father, Frank Craven, most of the time while he was working on the Prison Road in the latter part of the year A. D. 1885. I know that he hauled rock from the State Prison; waste rock to fill in the road that he was repairing. I was with him when he drew the sum of money due him, from Jacob Tobriner, Treasurer of Ormsby County at that time. I was with my father and saw him pay Frank Bell money in front of the

Capitol that same day that he drew the money from Jacob Tobriner.

We also find certain discrepancies occur in Warden McCullough's report for the years 1891-92, to the amount of \$551, which Warden McCullough accounts for in the following re-ort:

F. G. FOLSON, S. G. BOSTON.

A strong fight was made by Bell's friends to prevent the report being made, but on a standing vote were defeated, and only ten votes against the reading of the report.

Reports of several committees were read and referred.

S. B. No. 6—Relative to bonds for Lyon County, read the third time and passed by unanimous vote. House adjourned at 2:30 p. m.

The Governor's Reception.

Last evening there was a large gathering at the Governor's reception. The Governor received with his wife assisted by Lieut. Governor Pougade and his wife.

The members of the Legislature and the friends and neighbors of the Governor filled the home until midnight and there was a delightful flow of jollity, refreshments and good feeling.

Everybody was royally entertained and it was voted one of the most enjoyable receptions ever held in Carson.

I. O. O. F. Funeral Notice.

The officers and members of Capitol Lodge, No. 20, I. O. O. F., and the officers and members of Carson Lodge, No. 4, are requested to meet at Capitol Lodge Hall on Tuesday, January 24, 1893, at 2 o'clock p. m., for the purpose of attending the funeral of our late Brother, William Pearson. All sojourning brethren are also requested to attend the funeral. E. H. D. HARRIS, N. G. D. C. KITZMEYER, Sec.

Fanny Rice.

It is not often that an actress reaches Carson who is so famous that a Senatorial banquet is postponed on her account. It was the case with Fanny Rice, however; Stewart's banquet was fixed for Wednesday, but the members made such a roar that it was the night of Fanny Rice, that it was postponed to Thursday. A Jolly Surprise will draw a packed house tomorrow night.

ALL SORTS.

The members all say the punch brewed by the Governor himself was "simply out of sight." Most of it certainly was when the members dispersed.

The elegant reception cards at the Governor's reception last night were executed by Lambert Hayman, of San Francisco. They are simply works of art. He is great with the pen.

On election day in Reno Ed. Robb Frank Bell and P. B. Comstock, were Judges of election in the Second Ward, named by the County Commissioners.

Was Mr. Bell there representing the Republican, Democratic, or Silver Party? Next.

The Republican party is already taking care of its wounded in the battle at the polls last November. McCabe, who was beaten for a county office, goes into the Mint. What is to be done with the Silver men who were bounced from the Mint last Summer? What has the Silver party for these men? There ought to be an answer in a day or so.

It was a mistake yesterday for the Bell men to make a fight in the Assembly against receiving the report of the Prison Committee. It showed that they hated to have their candidate force the issue and it also showed the weakness of their vote. They could only muster ten. No wonder they have been anxious to combine with somebody.
